

Donate to Regenerate!

Partnering to build inclusive
& sustainable neighbourhoods

MACL cares about its community and the environment.

We demonstrate this by offering a convenient recycling service that includes the recycling of, textiles, and household items.

Simply bring your well-worn, torn or previous old favorite textiles and house hold items to one of our scheduled local events or conveniently located donation bins and we will ensure that all of these products are re-used and regenerated into new items keeping 650million pound of waste out of our the landfills across Canada!

In addition to keeping these items out of landfills your generous donations help provide meaningful and fulfilling employment for those we support in our own community of Mission.

Services offered:

Clothing Drives:

Local events such as BBQ's that are designed to accommodate large numbers of donations at one time in a centralized area. Have some fun and get educated about our innovative recycling system.

Neighborhood Campaigns:

Flyers will be delivered to the neighbourhood a week prior to scheduled pick up date. For your added convenience a reminder flyer will be added to the donation bag. Pick up for the select neighbourhood blocks will occur on the predetermined day. We will rotate through the various neighbourhoods throughout our community.

Bin Drop-Off Services:

Bring your used clothes, shoes, purses, jewelry and other items that need a good home to our Clothes Drop Bins throughout the community.

Pick up Services (as prearranged):

To inquire about pick up services and what qualifies contact Jackie van Dassen, 604-826-9080 x 237.

Make a positive impact by donating today!
